Social Distancing will be in place.

Please Note: All Masses are on a first come first in basis. No tickets or bookings.

We are all aware of the very unusual circumstances facing us this Christmas.

The obligation to attend Mass in the time of a pandemic does not exist. As well as attending Mass in our local Church, you can participate in Masses virtually on www.churchtv.ie/headford or www.churchtv.ie/claran our headford parish facebook page on utube and also www.headfordchurch.com and click on either church that has mass on at the time and radio 108FM.

We have extra masses on Christmas Eve and Christmas Day to maximise number of people who can attend. This will allow people to plan their Christmas while ensuring Covid-19 procedures are followed.

People are still welcome to attend, to listen in their car radios and receive Holy Communion by coming to the entrance door at the time of distribution.

Please remember that Mass will be available over the Christmas and the New Year period, which provides an alternative time to be present in a church for Mass in this most unusual year.

We must all do our best to stay safe this Christmas and to strictly adhere to the public health guidelines in relation to protecting ourselves from the coronavirus.

We thank everyone for their co-operation understanding and help to date and for excellent practice on following the guidelines.
