St Mary's Church Restoration Fund. Our church in Headford is a very important part of our local community, both as an historic building renowned for its architectural beauty and as the focal point of our Catholic faith. The church is over 155 years old having been built in 1865 by Fr. Peter Conway. Like all old buildings requires constant care and maintenance. Various minor works have been completed over the past few years, however the most pressing and now urgent requirement is to improve the heating and insulation of the church. The result of this major piece of work will be to make the church much warmer, greatly improving the level of comfort for churchgoers while also saving on the heating bill. This will involve a number of different projects, the most urgent of which is the roof, part of which has fallen down in recent times. This is now an urgent health and safety issue. As you may be aware, we have been quietly raising funds for the church restoration through offertory collections and various fundraising activities such as the calendar and Triduum Mass cards. However, to move forward with this project will require much additional funds and a fundraising committee has been formed made up of members of the pastoral council and finance committee. We are currently engaged in finalising a project plan including estimates of costings for all the works involved while in parallel organising a major fundraising effort. In the coming months, we plan to hold a major fundraising drive. We plan to promote this fundraising drive extensively in the community and online the Headford church online services attract thousands of online visitors on a weekly basis. If there is anybody who would be interested in getting involved with this project, or anybody that has any contacts or may be in a position to help, please don't hesitate to contact me at 093 35448

THE YEAR OF ST. JOSEPH PRAYER: ***To you, O blessed Joseph (Ad te, beate Ioseph)*** To you, O blessed Joseph, do we come in our afflictions, and having implored the help of your most holy Spouse, we confidently invoke your patronage also. Through that charity which bound you to the Immaculate Virgin Mother of God and through the paternal love with which you embraced the Child Jesus, we humbly beg you graciously to regard the inheritance which Jesus Christ has purchased by his Blood, and with your power and strength to aid us in our necessities. O most watchful guardian of the Holy Family, defend the chosen children of Jesus Christ; O most loving father, ward off from us every contagion of error and corrupting influence; O our most mighty protector, be kind to us and from heaven assist us in our struggle with the power of darkness. As once you rescued the Child Jesus from deadly peril, so now protect God's Holy Church from the snares of the enemy and from all adversity; shield, too, each one of us by your constant protection, so that, supported by your example and your aid, we may be able to live piously, to die in holiness, and to obtain eternal happiness in heaven. Amen.
