**Synodal Process:** In these days, the Catholic Church throughout the world and in Ireland is beginning a series of conversations about what God wants of his people at this time. These conversations are often referred to as a Synodal Process. "Synodal" comes from a Greek word which means "walking together". On **Sunday 17th October** we mark the opening of this Synodal Process entitled, *For **a synodal Church: communion, participation and mission***. This Synodal Process coincides with the start of the two-year Syno.dal Pathway for the Catholic Church in Ireland which will lead, in time, to a National Synodal Assembly in Ireland. We pray that the next two years will be a time of prayer, listening and discernment, involving a consultative conversation. This will allow all people - both within the Church and in society at large, to share their insights into the Catholic Church in Ireland – past, present and future – so that we can prepare for a National Synodal Assembly in the coming years. - to learn more about the Synodal Pathway for the Catholic Church in Ireland www.catholicbishops.ie/synod– to learn more about the worldwide Synod www.synod.va

**St Mary's Church Restoration Fund**. Our church in Headford is a very important part of our local community, both as an historic building renowned for its architectural beauty and as the focal point of our Catholic faith. The church is over 155 years old having been built in 1865 by Fr. Peter Conway. Like all old buildings requires constant care and maintenance. Various minor works have been completed over the past few years, however the most pressing and now urgent requirement is to improve the heating and insulation of the church. The result of this major piece of work will be to make the church much warmer, greatly improving the level of comfort for churchgoers while also saving on the heating bill. This will involve a number of different projects, the most urgent of which is the roof, part of which has fallen down in recent times. This is now an urgent health and safety issue. As you may be aware, we have been quietly raising funds for the church restoration through offertory collections and various fundraising activities such as the calendar and Triduum Mass cards. However, to move forward with this project will require much additional funds and a fundraising committee has been formed made up of members of the pastoral council and finance committee. We are currently engaged in finalising a project plan including estimates of costings for all the works involved while in parallel organising a major fundraising effort. In the coming months, we plan to hold a major fundraising drive. We plan to promote this fundraising drive extensively in the community and online the Headford church online services attract thousands of online visitors on a weekly basis. If there is anybody who would be interested in getting involved with this project, or anybody that has any contacts or may be in a position to help, please don't hesitate to contact me at 093 35448
